

## ASEAN Life Sciences Conference and Exhibition 2013

is the first of its kind event in the region. This distinguished conference, being addressed by more than 60 remarkable speakers from more than 10 countries, will encompass a broad range of topics in Life Sciences from innovative technologies to the commercialization of products and services as well as regulations and business trends.

### Key Events

- 8th Asia Bio Business Partnering 2013
- 10th International Society for Pharmaceutical Engineering (ISPE) Thailand Conference & Meeting
- ISPE Asia Pacific Affiliate Council (APAC) Meeting

### Conference Highlights

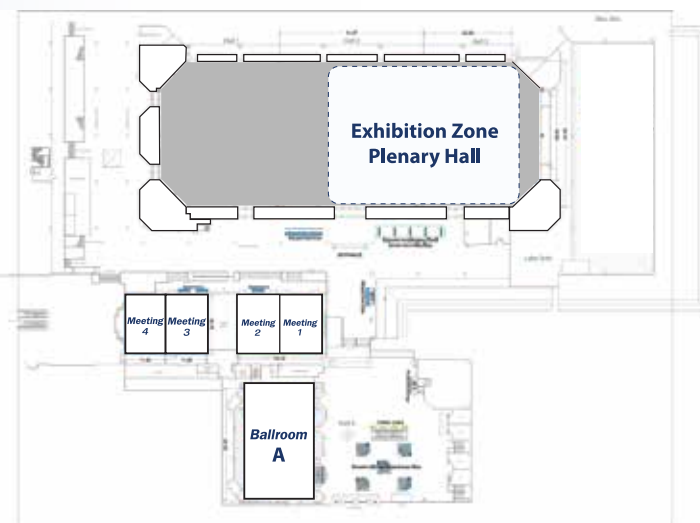

- **Keynote Address** “A Global Look at the Life Sciences Industry: Opportunities and Challenges” by Mr. G. Steven Burrill, CEO of Burrill & Company, U.S.A.
- **Regulator Track** “Global Regulatory Harmonization & Convergence for Health Products: Global Movement and Trend & Best Practices & Approaches” by **following speakers:**
  1. Dr. Justina A. Molzon  
U.S. Food and Drug Administration
  2. Dr. Petra Dörr  
Swiss Agency for Therapeutic Products

*See back page for other Conference Program Overview!*

### Exhibition Zone

Exhibition is located in the Plenary Hall of the Queen Sirikit National Convention Center in Bangkok. This zone is for government, private sectors and businesses in ASEAN member countries to present and promote their life sciences technologies, innovations and products on Product Display Stage and network with other entrepreneurs for business matching at Exhibition Exclusive Partnering Lounge. There are a lot of possibilities to benefit from the leading exhibition of the Life Sciences industry.

### Conference and Exhibition Floor Plan

\*\*\*Auditorium Room is located on basement (Zone A - ground).

### Premium Gifts

- Facial Serum (HEVEA BRASILIENSIS EXTRACT Facial Concentrate Serum)
- Genetic Testing (exclusively for 10 participants attending in Track 7 & 8 and the testing will be performed at Ramathibodi Hospital later.)

### Registration

Participants are welcome to attend the conference and exhibition with **FREE of CHARGE**. Please complete the online registration early at [www.asean-lifesciences.org](http://www.asean-lifesciences.org) in order to avoid any congestion expected on the day of conference.

Queen Sirikit National Convention Center, Bangkok, Thailand

## The Future of Life Sciences is Here!

Organizers

# Agenda: ASEAN Life Sciences Conference and Exhibition 2013 ; 17 - 19 July 2013 at Queen Sirikit National Convention Center, Bangkok, Thailand

Date	Time	Ballroom A					Plenary Hall
17 July 2013	08.00 – 12.30	(08.00–09.00) <b>Registration</b> (09.00–09.30) <b>Opening Ceremony</b> : Opening address by H.E. Phiraphan Phalusuk, Ph.D., Minister of Science and Technology (09.45–11.00) <b>Keynote Address</b> : “A Global Look at the Life Sciences Industry: Opportunities and Challenges” by Mr. G. Steven Burrill, CEO of Burrill & Company (11.15–12.30) <b>Keynote Panel Discussion</b> : “Life Science Business in ASEAN: Opportunities and Challenges”					- Landmark & Life Sciences - ASEAN Pavilion - Official Government Exhibition - Private Company - Product Display Stage
	13.30 – 18.00	<b>Track 1 Regulator Track “Global Regulator Movement”</b> (13.30–18.00) • Global Regulatory Harmonization & Convergence for Health Products: Global Movement and Trend & Best Practices & Approaches • Panel: ASEAN Harmonization on Pharmaceuticals:- AEC and Beyond					
Date	Time	Meeting Room 1	Meeting Room 2	Meeting Room 3	Meeting Room 4	Auditorium Room***	Plenary Hall
18 July 2013	08.00 – 12.00	<b>Track 2</b> (08.30-12.00) <b>ISPE Meeting</b> • Opening ISPE Thailand 10th Anniversary • Keynote Speech “Role of ISPE in the region” • Panel Discussion “Regional Pharmaceutical Manufacture : Preparing for the next decade” • ISPE Thailand AGM “What will be in next decade?”		<b>Track 3</b> (09.00-11.30) <b>ABBP Meeting</b> • Opening Ceremony • Keynote lecture “Bio Industry Situation in China, Korea, Japan and Thailand”	<b>Track 6A</b> (08.00-12.15) <b>Biopharmaceuticals:</b> <b>Can ASEAN be a big player?</b> • Biosimilars: aspect from WHO • cGMP on biopharmaceuticals compared to chemical drugs • New paradigm of academia-industry-government partnership in translational research in drug discovery to development • Opportunities and challenges for biosimilars: from global to ASEAN perspective	<b>Track 7</b> (09.00-10.30) <b>Thailand Pharmacogenomics and Personalized Medicine: Present and Future</b> Topic : “Genomic Marker Discovery & Clinical Approaches”	- Landmark & Life Sciences - ASEAN Pavilion - Official Government Exhibition - Private Company - Product Display Stage - Exhibition Exclusive Partnering Lounge
	13.00 – 16.30	<b>Track 2A</b> (13.00-16.30) <b>ISPE Meeting</b> Future Manufacturing Plant for Production and Engineering • Design of potent facility • Sterile technology * Restricted Access Barrier System * Isolator	<b>Track 2B</b> (13.00-16.30) <b>ISPE Meeting</b> Critical Utility Design and Maintenance • Critical Utility Design and Maintenance • Key Aspects of Comprehensive CMMS Implementation	<b>Track 4</b> (13.00-14.30) <b>Financing Life Sciences</b> Topic : “Public Private Partnership (PPP) for Life Sciences Industry”  <b>Track 5</b> (15.00-16.30) <b>Financing Life Sciences</b> Topic : “Incentives and Supports for Life Science Investments by Thai Government”	<b>Track 6B</b> (13.15-16.45) <b>Biopharmaceuticals:</b> <b>Can ASEAN be a big player?</b> • QbD for biopharmaceutical development: erythropoietin case. • Biopharmaceutical quality control: not another twilight zone? • Your Future is in YOU-Gene and Stem cells • Stem cells-based biologicals at a glance	<b>Track 8</b> (11.00-12.30) <b>Thailand Pharmacogenomics and Personalized Medicine: Present and Future</b> Topic : “Translating Personalized Medicine into Practice”	
19 July 2013	08.00 – 12.00	<b>Track 2C</b> (09.00-16.30) <b>ISPE Meeting</b> Future Manufacturing Plant (Management) for Management Level • Project Management for Pharmaceutical Production Facilities • Factory Design • The role of Manufacturing IT - An Integrated Approach (LIMS,ERP,MES, eQMS)	<b>Track 2D</b> (09.00-16.30) <b>ISPE Meeting</b> Future Quality System and Process Analytic • Quality by Design (QbD) and Process Analytical Technology (PAT)	<b>Track 11</b> (09.00-10.30) <b>Medical Robotic</b> Topic : “Medical Robotics: New Industrial Opportunity Emerging in ASEAN”  <b>Track 12</b> (11.00-12.00) <b>Medical Device</b> Topic : “Regulatory requirement trend for diagnostic and medical devices”	<b>Track 15</b> (09.00-10.30) <b>Cell &amp; Gene Therapy I</b> Topic : “Cell & Gene Therapy: The Future for Medicine”  <b>Track 16</b> (11.00-12.00) <b>Cell &amp; Gene Therapy II</b> Topic : “Practical Cell Therapy in Anti-aging and Regenerative Medicine”	<b>Asia Pacific Affiliate Council (APAC) Meeting</b> (- Closed Session - )	
	13.00 – 16.30			<b>Track 13</b> (13.00-14.30) <b>HIV Vaccine</b> Topic : “The Latest HIV Vaccine Development”  <b>Track 14</b> (15.00-16.30) <b>Technology and Product Innovation</b> Topic : “Ennaid Therapeutics Has The Solution, The Team and The Plan To Safely and Rapidly Develop And Commercialize A Cure For All Four Strains Of Dengue Virus”	<b>Track 17</b> (13.00-14.30) <b>Pre-Clinical Trial</b> Topic : “Strengthening Pre-Clinical Research in ASEAN”  <b>Track 18</b> (15.00-16.30) <b>Clinical Trial</b> Topic : “Strengthening Clinical Research in ASEAN”		

\*\*\*Auditorium Room is located on basement (Zone A - ground).
